TOYOTA

ALWAYS A
BETTER WAY

Keeping your Toyota in showroom condition.

Supagard protection means your Toyota's appearance always matches its performance.

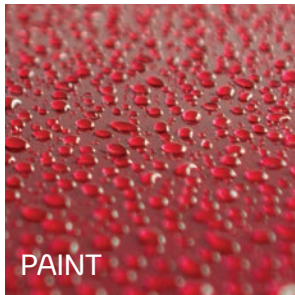

Supagard was formed in 1988 and has grown to become the UK's number one supplier of professionally applied automotive paint and interior protection products. These offer real value to both new and used car customers, keeping your car looking as good as the day you bought it.

Supagard's market leading Bionic Technology has been developed to protect paint, fabric and leather with a lifetime guarantee.

All the hard work's taken care of – all you have to do is collect your car from your Toyota Centre. You can be sure that Supagard will preserve the optimum appearance of your Toyota, enhancing its residual value should you choose to sell it.

Inner Peace

In a similar way, Supagard Interior protection protects against the fabrics and carpet in your Toyota by coating each fibre in a resin-based formula that shrugs off spillages and dirt, while Supagard Leather Preserver* protects leather interiors from soiling by dirt, spills, oily foods and denim dye. These invisible barriers prolong the life of the upholstery while retaining the natural texture and appearance.

*Optional Extra Leather Protection
