

The VX Protect Lifetime of Ownership Warranty

The VX Protect Paint and Fabric Protection warranty is available to the owners of new Vauxhall passenger cars and is valid for your lifetime of ownership of the vehicle.*

HOW DOES IT WORK?

Upon purchase and application by an Authorised Retailer of VX Protect, you will be electronically registered onto the VX Protect register. Your cover will remain active until such time as you sell, part exchange or dispose of the vehicle. Please see full terms and conditions of the guarantee for further information.

WHAT IS COVERED?

VX Protect guarantees that the paintwork of treated vehicles will not suffer noticeable deterioration of the gloss finish. The warranty also covers fabric seats and carpets suffering permanent stains from beverages or similar liquids.

WARRANTY ENQUIRIES

The warranty is provided via a VX Protect Authorised Representative. For all enquiries please contact VX Protect on:

VX PROTECT
PROTECT YOUR NEW VAUXHALL FROM WHATEVER LIFE THROWS AT IT

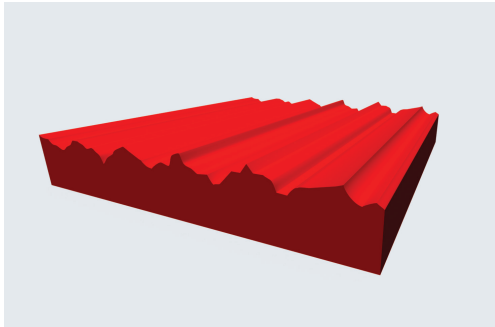

VX PROTECT

EXTERIOR PROTECTION

As the proud owner of a new or used Vauxhall, you want to keep it looking it's best.

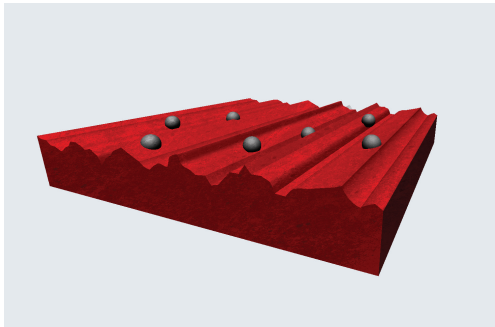

Unlike polishes which will eventually remove a layer of paint from the surface, VX Protect paint sealant forms a high tech microfilm that bonds to your car's paintwork, leaving a high gloss finish which prevents the accumulation of dirt and repels ultra violet rays, pollution and acid rain. This helps keep your car looking as good as the day you bought it and all you have to do is wash it - what could be easier?

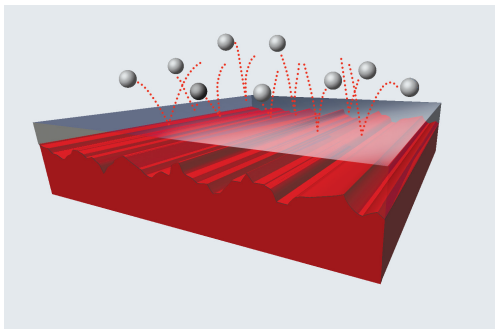

1 UNPROTECTED CAR PAINT

If left unprotected, deterioration begins from day one. Pollution, acid rain and UV rays will begin to oxidise the paint.

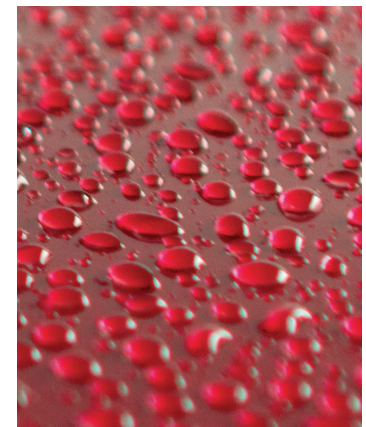

2 UNPROTECTED AFTER 1 YEAR

The paint has started to oxidise and the grime in the low points can only be cleaned with a cutting polish which removes a layer of paint.

3 VX PROTECTED CAR PAINT

The paint, once treated, is protected by a durable barrier. This helps maintain the high gloss shine and protects against contaminants.

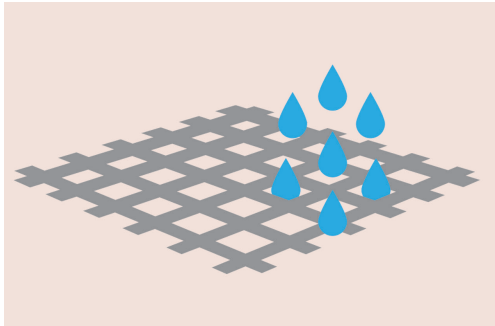

VX PROTECT

INTERIOR PROTECTION

When your interior has been treated with VX Protect, there's no need to cry over spilled milk, or chocolate, or mud.

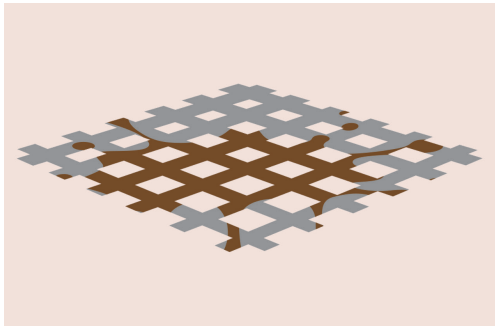

VX Protect shields the fabrics and carpets in your car by coating each fibre with a resin based formula that prevents staining and shrugs off spillages and dirt, making them easy to remove with a gentle cleaning solution. This invisible barrier reduces friction between fibres, prolonging the life of the material while retaining it's natural texture and appearance.

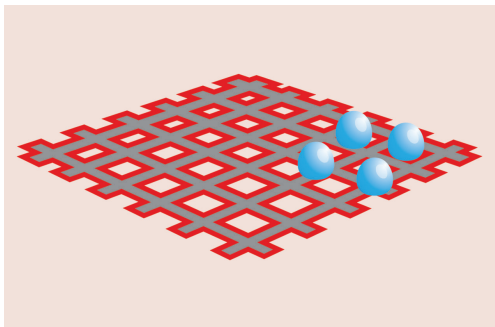

1 UNPROTECTED FABRIC

Liquid and dirt is free to penetrate the fibres of untreated seats.

2 STAINED FABRIC

These fibres have been stained by a coffee spill. Often, stains are rubbed while trying to remove them, making them worse and ingrained to the fabric.

3 VX PROTECTED FABRIC

Once coated, liquids and dirt can't penetrate the fabric and may pass between or rest above the fibres, but won't affect them.

VX PROTECT

AFTERCARE PRODUCTS

Now you can make keeping your car smart a whole lot easier on yourself.

Whether you're tackling Snowdon or the school run, VX Protect will give your car a long lasting showroom finish which helps to maintain it's value and you'll even receive a complimentary VX Protect aftercare kit to keep your vehicle looking it's very best.

Replacement and additional aftercare products are available to purchase when required. Ask your Retailer for details.

1 BIRD & BUG REMOVER

Creates an easy wipe-off solution for the removal of bird droppings and bug splats. The soapy mousse re-hydrates the deposit and neutralises the acid in bird lime.

300ml and 500ml

2 RAIN SCREEN

Clear visibility polymeric windscreen barrier makes water droplets bead and run off, keeping your windscreen clear all year round.

500ml

3 UPHOLSTERY CLEANER

Gently removes stains from carpets and upholstery. Penetrates deep into the fibres to lift stains to the surface and ease the removal of the most stubborn marks.

500ml

4 TYRE & TRIM DRESSING

Carefully formulated to renovate tyres, exterior trim, bumpers and mirror housings and treats all plastics, PVC, rubber etc. throughout your vehicle.

500ml

5 AQUA FREE

No water car wash cleans, shines and protects in one quick and easy application, leaving no streaks or scratches and enhances the high gloss finish.

500ml

6 WHEEL CLEANER

Non-acidic formula removes stubborn marks left by brake dust and road grime and cleans to a bright finish without damaging coatings, lacquers or tyres.

500ml

7 pH NEUTRAL SHAMPOO

Highly concentrated shampoo which effectively removes dirt and grime from everyday road use and cleans leaving a glossy, streak free finish.

500ml
